2017 ASET Student Competition
Your Chance to win £400

Calling all students who have recently completed a placement
Celebrate by sharing your experiences in an inspirational way for a chance to win £400

Is your placement the “best thing you’ve done so far”? Did you learn about yourself, your strengths, a
new industry, how to run projects, work with colleagues or what you want - or definitely don’t want -
to do?

ASET is delighted to announce this year’s competition is open for entries from 11th September 2017. To encourage the next cohort of placement students, ASET sponsors this annual competition which highlights what you’ve gained from your recent placement or internship - in no more than 900 words. We are looking for short accounts which inform others about the value of work experience, clearly express the value of your learning, and do so in a lively and enthusiastic manner. The competition also allows you to reflect on the impact your placement experience has had on your personal development and your future plans, as well as how it relates to your academic studies.

There are two categories for entry, each with a prize of £400 for the winner and £100 for highly commended:
- Placement/Internship/Work experience undertaken in the UK or Ireland
- Placement/Internship/Work experience undertaken overseas
