

## ASET Development Bursaries Up to £150

### Event Support Bursary Work Shadowing Bursary

We are pleased to offer **two new bursaries**, to support staff at ASET member institutions. These small bursaries are intended to provide opportunities for learning from experience which are inclusive, and widen access to people whom might otherwise face financial barriers to engaging in opportunities to progress their careers and develop their professional networks.

#### Event Support Bursary (up to £150)

To support staff wishing to attend an ASET conference or staff development workshop. This bursary is for delegates who incur additional costs for attending due to requirements for childcare, social care, or other matters related to a protected characteristic such as a disability. The bursary is not to be used to offset normal costs paid by delegates' employers (delegate fees or travel expenses)

#### Work Shadowing Bursary (up to £150)

For staff wishing to spend a day work shadowing another individual from an ASET member institution. The bursary is to pay for travel costs, with a requirement to submit a 400 word reflection on the learning which may be published in the ASET e-bulletin. Recipients will also be invited to submit a Poster for the ASET Conference.
