

Call for Contributions

We are pleased to announce the call for research contributions for the online event:

#ASETConnect
8-9 September 2020

This is something new for ASET where the sharing of research will take the form of a **Research Showcase **NEW****

Contributions are invited under any Placement, Work based learning, or Employability related topic, though in order to provide a framework for the event, submissions around the main theme of **Innovation** will be prioritised. We are looking for recent research that has been carried out and will be providing an opportunity for you to share this with colleagues from the wider ASET Community.

Research Showcase: 3 slides, 5 minutes

Using only **three PowerPoint** slides, you will have **five** minutes to take us on a fast-paced, informative and entertaining journey through your recent research. This is an ideal beginning for first-time presenters, and a challenge for the experienced. Research topics will be grouped and time allocated for questions.

Presentation slides and the abstract from your submission will be included in #ASETConnect Proceedings.

Sharing your research can sound daunting, but it can be satisfying to create and to deliver, and brilliant for your continuing professional development. Remember: members are looking for practical take-home ideas, tools and messages to help them in their day-to-day practice. It is all about coming away with those **#ASETTopTips**.

Submit your Research Showcase **abstract** and accompanying **PowerPoint slides** using the Submission Form to aset@asetonline.org by 12 noon Friday 31st July 2020.
